

LanSINGout celebrates 25 years of giving back to the Lansing community. With help from our fiscal partners and donors we will continue to inspire through song and community involvement.

Celebrating
25 Years!

LanSINGout Gay Men's Chorus is a voluntary, not-for-profit community chorus. Founded in 1989, LanSINGout provides the opportunity for gay and gay-supportive men to sing together. The primary purpose of the chorus is musical excellence in performance and to provide a safe space for community artistic expression.

While striving to achieve this purpose, the chorus provides social and fellowship experiences that deepen and enrich our lives. Through positive contributions and service to our community, LanSINGout helps present a positive image of the gay community to the general public while supporting local non-profits.
